

U. S. ATHLETES
MAKING RECORDS

Pennsy Relay Races Result in Remarkable Performances in Sport Events.

New York, May 2.—That the American athlete has reached a stage of preparedness that would bode ill for the rest of the world athletic world, the Olympic games to be held this summer as originally scheduled, can be readily appreciated by a glance at the reports of track meets held in various parts of the country each week. Five world's records were broken or equaled in two sets of games last Saturday and the time in some of these events could easily have been bettered had the performers realized how near they were to record figures.

At the University of Pennsylvania relay races, the Cornell university four mile relay team, consisting of Taylor, Hoffman, Windig, and Potter, equaled the record of 17 minutes, 41.5 seconds, and Potter, who ran the last mile, could easily have clipped this time had he known that he was within reach of the world's record. The Yale university two mile relay team consisting of Rolfe, Cooper, Barlow and Overton, also equaled the best time for the distance and here again it was within the bounds of possibility that the quartet of half miles might have done even better than 7 minutes and 52 seconds had they been informed how near they were to the existing mark.

In the 120 yard high hurdles race Simpson of the University of Missouri swam over the bars like a swallow in 15 seconds flat on a grass course, which was not particularly fast, equalling the best time ever when he either under or surf. The star performance of the day, however, was one that went unlooked for on an official standpoint. That was the running of the final quarter of the one mile relay by Capt. Ted Meredith of the University of Pennsylvania. Meredith was timed by a number of expert handless of stop watches from 46.5 to 47.4 seconds for his relay, when he was trying to make up the long handicap given him by the third runner of the Pennsylvania team.

How Difference Occurred.
The difference in the figures recorded by these unofficial timers is explained by the fact that they started their watches at different stages. Meredith went back fully ten yards beyond the starting line to meet the first runner, who was running the third relay. When he took the

How to Tell a Genuine
Prest-O-Lite Tank
from an Imitation

You may think you know what a Prest-O-Lite looks like. But it isn't safe these days to judge by looks.

There are several clever imitations which look exactly like Prest-O-Lite—and were made to look that way.

You may have one on your car this very minute. They are being sold and exchanged here. Better look at your tank!

The Genuine Prest-O-Lite

always has our name and trademark plated on the side of the tank, big as life and no doubt about it.

A dealer may tell you that it makes no difference because some other name is on the tank instead of Prest-O-Lite.

But it does make a big difference to you.

He may tell you that his substitute is "just as good" and that he is "back of it."

But what do you want back of your tank—no dealer, or the universal, dependable Prest-O-Lite Service System, represented by 25,000 dealers?

The worth of any gas tank depends largely upon your ability to exchange it, when empty, for a full one.

The permanence, the responsibility, and the known quality of Prest-O-Lite Exchange Service are important to you—and would be, even if you never left home.

Look at Your Tank

Has any dealer the slightest moral right to take your property away from you, and silently transfer you out of the Prest-O-Lite Exchange System, even though he thinks a "just as good" will answer your purpose?

If it doesn't clearly bear our name plated on its surface, it isn't a Prest-O-Lite.

Better ask the dealer who gave it to you to take it back and get you a real Prest-O-Lite.

If he doesn't comply promptly or says he is "just out of Prest-O-Lites," take the matter up with us, or with any of our dealers.

Cook with Prest-O-Lite

There are hundreds of other uses for Prest-O-Lite in connection with various burners and blow torches. Among them is this convenient, compact, inexpensive cooking and lighting outfit for cottages and camps. If your dealer cannot give you information and prices, write direct to The Prest-O-Lite Co., Inc.

Your Personal Property

You paid for it. Because of it, the Prest-O-Lite Tank has a higher value than any imitation. Imitations always have sold for less, and should, because they are worth less.

TENNIS STARS
GO TO TUCSON

El Paso Strongly Represented in Men's Events of the Big Meeting.

El Paso will send a big delegation to Tucson for the Border States tennis tournament. N. A. Ferguson, H. E. Christie, William Bailey, E. E. Neff, W. Cooley and W. G. Wals will all compete in the singles and double events. La Shea will represent El Paso in the junior division, having won the right by defeating all juniors in the elimination contests held here some time ago. El Paso sends no entries to compete in the women's doubles and singles play.

Ferguson and Christie will compete for the double honors. W. A. Wals and William Bailey are also entered in the doubles. E. E. Neff and W. Cooley, last year's winners in the men's doubles, are again out for the honors and from all accounts, should cop again, as their teamwork has been very strong in their preliminary work-outs.

Dallas sends J. P. Adams for the singles and George W. Peake and J. P. Adams will play together in the doubles. Adams is expected to give "milk" Horret, twice winner of the Border States cup in the singles, a hard run for the high honors in the coming tournament. These were the winners of the 1934 season, as both Potter, of Bisbee, and Thompson, of Roswell, who recently joined the "vets" class and both are strong racket men.

California is in most all of the events, and while their entire are unknown qualities, they expect to be heard from before the tournament is far along.

baton he carried it fully 450 yards instead of 440 yards. Some of the timers started their watches the moment he received the baton while others waited until he crossed the actual starting mark. These were the timers who clocked Meredith in better than 47 seconds flat on a curved track whereas the world's record, 47 seconds, held by Maxey Long, was made on a 440 yard straightaway.

The record breaking of the day was not confined entirely to the track, however, for on the Pacific coast, Fred Kelly, one of the record holding hurdlers, did 24.2 seconds for the 220 yard hurdles around a curve, thus bettering the existing time. Kelly has been hurdlers in wonderful form all spring, but he is not without worthy rivals since Earl Thompson defeated him in the 120 yard hurdles in 15 seconds flat, thus equalling the world's best time at about the same moment that Simpson was accomplishing a similar feat at Philadelphia.

BOWLING

Following were the scores in the Industrial League matches on the Cactus alleys last night:

Cement Plant. 1st 25, 3d 71, 5th 71, 7th 71, 9th 71, 11th 71, 13th 71, 15th 71, 17th 71, 19th 71, 21st 71, 23rd 71, 25th 71, 27th 71, 29th 71, 31st 71, 33rd 71, 35th 71, 37th 71, 39th 71, 41st 71,
